Disaster Preparedness: Are you ready? Were you ready?

PRESBYTERIAN DISASTER ASSISTANCE

OUT OF CHAOS, HOPE

Rebecca Jewel, Certified Trainer for disaster preparation will lead us in a look at the chaos that follows a disaster and what we can do as individuals and worshipping communities to mitigate the damage emergencies and disasters can bring.

Disaster Preparation happens because we hear a call from God to reduce the suffering caused by disaster. Presbyterians come to disaster preparedness and recovery ministry through our understanding of Scripture and a special concern for the poor, powerless and vulnerable.

- This gathering will be held via the Zoom meeting app which can be accessed by computer, laptop, tablet or telephone.
- This invitation link will be sent a day or two before the gathering to all those currently on our email address list. If you have not been receiving emails from PWP, please contact Rebecca Jewel at rojewel@gmail.com to have your address included.
- There will be a time to ask questions.
- There will be a time to share your “seeds of hope.” What seeds of hope are you planting or have you seen others plant?
- Please share this information with others. There is no reservation but we do need an email address in order to send the meeting link.
